SUPPLEMENT

1. The new head of the CMRRA Kwangtung Office, Y. L. LEE (李應林) [Li Ying-lin 李應林], is very partial to the Lingnan University in Canton. He is president of the university. CMRRA supplies are now very much seen on the campus and premises of the university. Much canned food is being sent there, and sheets, blankets, pillows, comforters, etc., are available for its dormitories.
2. LEE, who has recently taken over the job vacated by D. I. LIN (凌道揚) [LING Tao-yang], is found to be worse than his predecessor and is obtaining a much larger share of the graft. Although LIN was involved in the graft, his subordinates pocketed most of the profit.
3. LEE has put in HSIEN Chao-chieh (謝超杰), head of general affairs at Lingnan University, to head the general affairs office in CMRRA. HSIEN retains both jobs. LEE keeps all his transactions quiet and is grafting as much as he can for himself and the university while he is able.
